Disabled Children's Register

The Disabled Children Register (DCR) is a secure database which aims to capture information about all children and young people aged 0-25 years with special educational needs and disabilities (SEND) in West Berkshire. The information that you give us will be used anonymously to show the use of and demand for services in West Berkshire. We will use this information to help us to plan, monitor and develop appropriate facilities and services for disabled children and their families.

The DCR is managed by the West Berkshire Directory. Registering is voluntary but we would like to encourage as many of you as possible to register so that we can get as clear a picture as possible of the needs for services in West Berkshire.

To **register** you must complete a simple online form which will allow you to provide us with details of your child. We will be able to use your contact details to keep you up-to-date with developments in services and other relevant information for disabled children and young people.

DO YOU GET UP IN THE MIDDLE OF THE NIGHT?

DON'T RISK A FALL

Many falls are caused by lack of light. Plug in night lights, or motion activated lights that can be installed around the house,. The can be purchased cheaply from hardware/DIY shops and some supermarkets.

You can get advice on lighting and other tips to help make your home safer from Age UK Berkshire

Annual General Meeting

Thursday 5th December 2019

12-2pm

You are invited to Parenting Special Children's Annual General Meeting to be held at Wokingham Waterside Centre, Thames Valley Park Drive, Reading RG6 1PQ

Whilst there is a formal element to any AGM it is a time for PSC to celebrate all of the services provided to families in 2018/19. During this period we supported 2500 families at least once and on average 2 to 3 times.

The AGM is also a time to look forwards to 2020 and new developments within the charity.

Please book so we know how many people to cater for - there will be tea/coffee and cake.

Carers Rights Day

West Berkshire

A big thank you to all those that helped organise this event and for all the stall holders/professionals for the support on the day.

Not forgetting a massive thank you to all the Carers who attended and to Newbury Collage who contributed a major part, providing an excellent venue, catering and hospitality

Wokingham

Just like to thank all stall holders/professionals for the support in making the day a success and a special thank you to all the Carers who attended.

Reading

Thank you to everyone who came along on the day. Thanks to all the presenters who had planned their presentations and delivered them brilliantly. Also all the organisations who came along to cover the tables and who bravely stood up and gave an impromptu talk. Thanks also to those who came in to give the timed appointments.

Walnut & Cherry Yule Log

Ingredients

- 3 medium eggs
- 100 g golden caster sugar
- 75 g plain flour
- 3 tbsp cocoa powder plus extra for dusting
- 50 g Walnut Pieces chopped
- 100 g chestnut puree
- 2 tbsp icing sugar
- 150 ml double cream
- 425 g can black cherries drained and roughly chopped

For the icing:

- 50 g butter softened
- 100 g icing sugar sifted
- 2 tbsp cocoa powder
- 1-2 tbsp milk

Instructions

Preheat the oven to 200°C, gas mark 6. Grease and line the base and sides of a 30x20cm Swiss roll tin.

Whisk the eggs and sugar together for about 3-4 minutes until pale and thick. Mix together the flour, cocoa and walnuts and fold into the egg mixture. Pour into the prepared tin and gently spread to the sides. Bake for 10 minutes.

Sprinkle a little cocoa onto a large sheet of parchment and upturn the Swiss roll onto it. Peel off the parchment

from the base and then roll it up from the longest end with the paper inside and allow to cool completely.

Whisk the chestnut puree and icing sugar together until smooth then add the cream and whisk until soft peaks form. Unroll the Swiss roll, spread with the cream mixture and scatter over the cherries then roll it back up into a log.

To make the icing, whisk the butter in a medium bowl until pale, gradually whisk in the icing sugar and cocoa powder and whisk until fluffy, adding a little milk if the mixture is too thick.

Cut a thick diagonal slice from one end of the log. Arrange the log onto a serving plate then place the slice on the side with the cut against the cake to make a branch.

Spread the log and branch with icing (but not the end and use a fork to make a bark effect. Scatter with walnuts

Online Training

We are sorry to inform you that we will no longer be putting on online training due to funding.

We are still doing training like First Aid, moving and handling and more as physical events.

These will be advertised in the newsletters.

Sorry for any inconvenience this may cause.

Regards

The Team
